

# On the Run

Stradlin Izzy

Out of place, out of space  
Out of form, live or gone

You go now, show you how  
I'm on the run

Out of love, out of drugs  
Out of form, bad tung

I know now, show you how  
I'm on the run

I can now, show you how  
I'm on the run

Out of view, no more use  
Out of grief, I get peace

I can now, show you how  
I'm on the run

I can now, show you how  
I'm on the run

On the run, on the run  
On the run, on the run  
On the run, on the run

On the run, on the run  
On the run, on the run
