

# Shuffle It All

Stradlin Izzy

Boredom Saturation  
It's a never ending clue  
Isn't just to fill the time  
When there's nothing else to do  
She drove on out of New York  
She had enough insane  
And drivin' just though Texas two days  
She ended up in L.A.  
Shuffle it all  
Shuffle it all, yeah  
Shuffle it all

Pack up your life again  
A pile of records spread out  
The covers still look good  
Picture here a Peter Tosh's  
startin' down and a smokin' wood  
My dog dreaming is running  
I see him twitch a paw  
My woman playing Dr. Mario  
On the TV all night long  
Just another cigarette  
Staring at the moon, yeah  
Then I'm headin' off to bed  
Sleepin' without you, yeah  
Shuffle it all  
Shuffle it all, yeah

Pack up your bags again  
It's long and winding road  
Sure enjoy the view, yeah  
If you want to see it  
Just slow down  
You're so welcome to come along  
Lookin' for a tune to play  
I'm gonna see it again  
When the day is over  
Try to write you 'bout the rain  
Feel the motors winding on  
There ain't no news  
If you see those old friends out there  
Tell them that I send my love  
Wake up, time to leave again  
Try to find my shoes  
Put the luggage in the van  
Roll up your Doctor Dolittle  
Shuffle it all  
Shuffle it all, yeah  
Shuffle it all

Pack up your things again  
Shuffle it all (Keep movin' along)  
Shuffle it all (Keep movin' along)  
Shuffle it all (Keep movin' along)  
Pack up your life again  
Keep on shufflin'
