

# Billie Jean / Poison

Straight No Chaser

Girl I must warn you  
I sense something strange in my mind  
The situation is serious  
Let's cure it 'cause we're running out of time  
And it's all so beautiful  
Relationships they seem from the start  
And it's all so deadly  
When love is not together from the heart  
Yeah, check it out  
It's driving me out of my mind  
That's why it's hard for me to find  
Can't get it outta my head  
Miss her, kiss her, love her, that girl is poison

She was more like a beauty queen from a movie scene  
I said don't mind it, but what do you mean I am the one  
Who will dance on the floor in the round  
She told me her name was Billie Jean, as she caused a scene  
Then every head turned with eyes that dreamed of being the one  
Who will dance on the floor in the round  
People always told me be careful of what you do  
Don't go around breaking young girls' hearts  
And momma always told me be careful who you love  
Be careful what you do for the lie becomes the truth

Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my son  
She says I am the one, but the kid is not my son

She's so fly, she'll drive you right out of your mind  
Steal your heart when you're blind  
Beware she's schemin', she'll make you think you're dreamin'  
You'll fall in love and you'll be screamin' demon

Who will dance on the floor in the round  
So take my strong advice, just remember to always think twice

Poisonnn

Don't think twice

It's driving me out of my mind  
That's why it's hard for me to find  
Can't get it outta my head  
Miss her, kiss her, love her, that girl is poison

Billie jean is not my lover  
Billie jean is not my lover  
Poison  
Billie jean is not my lover  
Billie jean is not my lover  
She is poison
