Straight No Chaser

And I know she'll be the death of me, at least we'll both be numb And she'll always get the best of me, the worst is yet to come But at least we'll both be beautiful and stay forever young This I know, (yeah) this I know

I can't feel my face when I'm with you But I love it, but I love it, oh I can't feel my face when I'm with you But I love it, but I love it, oh

And I know she'll be the death of me, at least we'll both be numb And she'll always get the best of me, the worst is yet to come All the misery was necessary when we're deep in love Yes I know (yes I know), girl, I know

She told me, "Don't worry about it." She told me, "Don't worry no more." We both knew we can't go without it She told me you'll never be alone-oh-oh, whoa

I can't feel my face when I'm with you But I love it, but I love it, oh I can't feel my face when I'm with you But I love it, but I love it, oh

I can't feel my face when I'm with you But I love it, but I love it, oh I can't feel my face when I'm with you But I love it, but I love it, oh

We both know we can't go without it She told me you'll never be alone-oh-oh

I can't feel my face when I'm with you But I love it, but I love it, oh I can't feel my face when I'm with you But I love it, but I love it, oh

I can't feel my face when I'm with you But I love it, but I love it.
