

## Christmas Lights

Straight No Chaser

Christmas night, another fight  
Tears, we cried a flood  
Got all kinds of poison in  
Of poison in my blood

I took my feet to Oxford Street  
Trying to right a wrong  
"Just walk away" those windows say  
But I can't believe she's gone

When you're still waiting for the snow to fall  
It doesn't really feel like Christmas at all

Up above candles on air flicker  
Oh, they flicker and they float  
And I'm up here holding on  
To all those chandeliers of hope

And like some drunken Elvis singing  
I go singing out of tune  
Singing how I always loved you, darling  
And I always will

When you're still waiting for the snow to fall  
It doesn't really feel like Christmas at all  
Still waiting for the snow to fall  
It doesn't really feel like Christmas at all

Those Christmas lights light up the street  
Down where the sea and city meet  
May all your troubles soon be gone  
Oh, Christmas lights keep shining on

Those Christmas lights light up the street  
Maybe they'll bring her back to me  
Then all my troubles will be gone  
Oh, Christmas lights keep shining on

Oh, Christmas lights, light up the street  
Light up the fireworks in me  
May all your troubles soon be gone  
Those Christmas lights keep shining on  
Keep shining on, keep shining on
