

# I'm Yours / Somewhere Over The Rainbow

Straight No Chaser

Well you done done me and you bet I felt it  
I tried to be chill but you're so hot that I melted  
I fell right through the cracks  
And now I'm trying to get back  
Before the cool done run out  
I'll be giving it my bestest  
And nothing's going to stop me but divine intervention  
I reckon it's again my turn to win some or learn some

But I won't hesitate no more, no more  
It cannot wait, I'm yours

Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find love love love love  
Listen to the music of the moment people dance and sing  
We're just one big family  
And it's our God-forsaken right to be loved loved loved loved loved

So I won't hesitate no more, no more  
It cannot wait I'm sure  
There's no need to complicate  
Our time is short  
This is our fate, I'm yours

Someday I'll wish upon a star  
And wake up where the clouds are far  
Behind me

Somewhere over the rainbow  
Bluebirds fly  
Birds fly over the rainbow  
Why then, oh why can't I?

I've been spending way too long checking my tongue in the mirror  
And bending over backwards just to try to see it clearer  
But my breath fogged up the glass  
And so I drew a new face and laughed  
I guess what I'm saying is there ain't no better reason  
To rid yourself of vanity and just go with the seasons  
It's what we aim to do  
Our name is our virtue

But I won't hesitate no more, no more  
It cannot wait, I'm yours

Please don't please don't please don't  
There's no need to complicate  
Our time is short  
This is our fate, I'm yours
