

I've Been Everywhere

Straight No Chaser

Well I was totin' my pack along the dusty Winnemucca road
When along came a semi with a high an' canvas covered load
"If you're goin' to Winnemucca, Mack, with me you can ride"
And so I hopped into his cab and then I settled down inside
He asked me if I'd seen a road with so much dust and sand
And I said, "Listen, bud, I've traveled every road in this here land"

I've been everywhere, man
I've been everywhere, man
Crossed the desert's bare, man
I've breathed the mountain air, man
Of travel I've had my share, man
I've been everywhere
