

Leave The Door Open

Straight No Chaser

I'ma leave the door open
I'ma leave the door open, open

What you doin'? (What you doin'?)
Where you at? (Where you at?)
Oh, you got plans? (You got plans?)
Don't say that (Don't say that)

I'm sippin' wine (Sip, sip)
In a robe (Drip, drip)
I look too good (Look too good)
To be alone (Woohoo)

My house clean, uh (House clean)
My pool warm (Pool warm)
Just shaved (Smooth like a newborn)

We should be dancing, romancing, in the east wing
And the west wing of this mansion, what's happenin'?

I ain't playin' no games, every word
That I say is coming straight from the heart
So if you tryna lay in these arms

I'ma leave the door open
(I'ma leave the door open)
I'ma leave the door open, girl
(I'ma leave the door open, hopin')

That you feel the way I feel
And you want me like I want you tonight, baby
Tell me that you're coming through

Girl... so sweet (So sweet)
So nice (So nice)
I won't bite (Uh-huh)
Unless you like (Unless you like)

If you know (What you know?)
I got the haze (Purple haze)
And if you're hungry, girl, I got filets (Wohoo)

Ooh baby, don't keep me (Waiting)
There's so much love we could be making (Shamon)

I'm talking kissing
Cuddling
Rose petals in the bathtub, girl lets jump in
It's bubblin'

I ain't playin' no games, every word
That I say is coming straight from the heart
So
(If you tryna lay in these arms)
If ya'
Tryna
Lay in these arms

I'ma leave the door open
(I'ma leave the door open)
I'ma leave the door open, girl
(I'ma leave the door open, hopin')
Ooh-ooh

That you feel the way I feel
And you want me like I want you tonight, baby
Tell me that you're coming through
Let's go!

La, la, la, la-la-la-la
I need you, baby
La, la, la, la-la-la-la
I got to see you, baby
La, la, la, la-la-la-la
Girl, I'm tryna give you this
Ah...

Hey, hey
I'ma leave my door open, baby
(I'ma leave the door open)
I'ma leave
I'ma leave my door open, girl
(I'ma leave the door open, hopin')
And I'm hopin'
Hopin', that you feel the way I feel
And you want me like I want you tonight, baby
Tell me that you're coming through, woo

I'm waiting, waiting, waiting

Girl, I'm here just waiting for you
Come on over, I'll adore you
(La-la-la-la)
I'm waiting, waiting, waiting for you, you
Come on over, baby
I'ma leave the door open for... you...
