

# Let It Snow

Straight No Chaser

Snow

Oh, the weather outside is frightful  
But the fire is so delightful, hey  
And since we've no place to go  
Gonna let it snow, let it snow, let it snow

And it doesn't show signs of stopping  
And I've brought some corn for popping  
The lights are turned way down low  
Gonna let it snow, let it snow, let it snow  
Let it snow

When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you'll really hold me tight  
All the way home I'll be warm

Oh, the fire is slowly dying  
And my dear, we're still goodbying  
But as long as you love me so, love me so  
Gonna let it snow, let it snow, let it snow

Let it snow, gotta let it, gotta let it snow  
Gotta let it, gotta let it snow  
Gotta let it, got to let it, gotta let it  
Got to let it snow, oh

The weather outside if frightful  
But by the fire it's so delightful, just let it snow  
The weather outside if frightful  
But by the fire it's so delightful, just let it snow

It doesn't show signs of stopping  
And I've brought some corn for popping, just let it snow  
The fire is slowly dying,  
And my dear, we're still goodbying, just let it snow

When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you'll really hold me tight  
All the way home I'll be warm

Oh, the fire is slowly dying  
And my dear, we're still goodbying  
But as long as you love me so  
Just let it snow, let it snow, let it snow

Let it snow, snow  
Gotta let it, gotta let it snow  
Gotta let it, gotta let it snow  
Gotta let it, gotta let it, gotta let it snow
