

The Boys Are Back In Town

Straight No Chaser

The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town

Guess who just got back today?
Them wild-eyed boys that had been away
Haven't changed, haven't much to say
But man, I still think them cats are crazy
They were asking if you were around
How you was, where you could be found
I told them you were living downtown
Driving all the old men crazy

The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town

You spread the word around
Guess who's back in town
You spread the word now
'Cause Straight No Chaser's back in town

Friday night they'll be dressed to kill
Down at Dino's bar and grill
The drink will flow and blood will spill
And if the boys want to fight, you'd better let them

That jukebox in the corner blasting out my favorite song
The nights are getting warmer, it won't be long
It won't be long till summer comes
Now that the boys are here again

The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town

The boys are back in town, yeah
The boys are back in town, yeah
The boys are back in town
