

# Total Eclipse of the Heart

Straight No Chaser

(Turn around) Every now and then  
I get a little bit lonely  
And you're never coming round

(Turn around)  
Every now and then  
I get a little bit tired  
Of listening to the sound of my tears

(Turn around)  
Every now and then  
I get a little bit nervous  
That the best of all the years have gone by

(Turn around)  
Every now and then I get a little bit terrified  
And then I see the look in your eyes

(Turn around, bright eyes)  
Every now and then I fall apart  
(Turn around, bright eyes)  
Every now and then

(Turn around)  
Every now and then  
I get a little bit restless  
And I dream of something wild

(Turn around)  
Every now and then  
I get a little bit helpless  
And I'm lying like a child in your arms

(Turn around)  
Every now and then  
I get a little bit angry  
And I know I've got to get out and cry

(Turn around)  
Every now and then  
I get a little bit terrified  
But then I see the look in your eyes

(Turn around, bright eyes)  
Every now and then  
I fall apart  
Turn around, bright eyes  
Every now and then  
I fall apart

Together we can take it to the end of the line  
Your love is like a shadow on me all of the time (all of the time)

I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight  
(Forever's gonna start tonight)

Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can say  
A total eclipse of the heart

Turn around, bright eyes

Turn around, bright eyes

Turn around, bright eyes

Turn around, bright eyes

Turn around, bright eyes

Turn around, bright eyes

Turn around, bright eyes

Turn around, bright eyes

Turn around, bright eyes

Turn around, bright eyes

(Turn around, bright eyes)  
Every now and then  
I fall apart  
Turn around, bright eyes  
Every now and then  
I fall apart

And I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever

Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart

A total eclipse of the heart  
A total eclipse of the heart

Turn around, bright eyes

Turn around, bright eyes
