

What Christmas Sounds Like

Straight No Chaser

Dad is sitting on the couch and dangling the light
Mama's in the kitchen cooking through the night
A crackling fire, a couple of rowdy kids
Grandma's on the grand playing old school hymns

And without thinking we go out

Fa la la la
Everyone's singing fa la la la
Sleigh bells ringing fa la la la
Yeah this is what Christmas sounds like

Oh shop until you drop, bags in every hand
Walking the square in the winter wonderland
Candy canes and dump fluffy coats
Carolers singing familiar notes

And it goes like

Fa la la la
Everyone's singing fa la la la
Sleigh bells ringing fa la la la
Yeah this is what Christmas sounds like
Fa la la la
Everyone's singing fa la la la
Sleigh bells ringing fa la la la
Yeah this is what Christmas sounds like

And oh it doesn't matter where you are
So sing it out with all your heart
Follow our lead
1, 2, 3, 4

Fa la la la
Fa la la la
Yeah this is what Christmas sounds like

Fa la la la
Everyone's singing fa la la la
Sleigh bells ringing fa la la la
Yeah this is what Christmas sounds like
Fa la la la
Everyone's singing fa la la la
Sleigh bells ringing fa la la la
Yeah this is what Christmas sounds like
