

What You Won't Do for Love / Just the Two of Us

Straight No Chaser

I guess you wonder where I've been
I searched to find a love within
I came back to let you know
I got a thing for you and I can't let go
My friends wonder what is wrong with me
Cause I'm in a daze from your love, you see
I came back to let you know
I got a thing for you and I can't let go
Some people go around the world for love
But they may never find what they dream of
What you won't do, to do for love
You tried everything, but you don't give up
In my world only you
Come make me do for love what I would not do

I know it's been a while, I know it's been a minute
I've been all up in my feelings yeah, super persistent
But baby listen, I've been on a mission
Cruised around the world, searching for what I've been missing
It's you, it's true
And I ain't even got a clue
I don't know what to do
Lately I've been dazed and confused
Cause listen, I don't know how we're gonna do this
I promise you that my love will be the truest

I see the crystal raindrops fall
And the beauty of it all
When the sun comes shining through
To make those rainbows in my mind
When I think of you sometime
I wanna spend some time with you
Just the two of us
We can make it if we try
Just the two of us
(Just the two of us)

What you won't do, to do for love
You tried everything, but you don't give up
Just the two of us
Building castles in the sky
Just the two of us
You and I

You make me do for love what I would not do
Just the two of us
You make me do for love
Just the two of us
What I would not do
Building castles in the sky
Just the two of us
