

# You're My Best Friend

Straight No Chaser

Ooh, you make me live  
Whatever this world can give to me  
It's you, you're all I see and it's you  
You make me live, now, mama  
Ooh, you make me live

Oh, you're the best friend  
That I ever had  
I've been with you such a long time  
You're my sunshine

And I want you to know  
That my feelings are true  
I really love you  
You're my best friend

Ooh, you make me live  
I've been wandering around  
But I still come back to you

In rain or shine  
You've stood by me, mom  
I'm happy, happy at home  
You're my best friend

Ooh, you make me live, ooh  
Whenever this world is cruel to me  
I got you to help me begin  
All I see and it's you  
You make me live, now, mama  
Ooh, you make me live

Yeah, you're the first one  
When things turn out bad  
You know I'll never be lonely  
You're my only one

And I love the things  
I really love the things that you do  
Ah, you're my best friend

You're my best friend
