

## Igbo Boy Interlude

Strandz

Tell that boy "Go shot it" for me  
My bro got corn and he bust it for me  
Kickin' doors like "Where's the money?"  
If I had guns, would you hold it for me?  
If I had drugs, would you hold it for me?  
I know a innocent one, she a baddie for me  
She gon' get the drop, get addy for me  
It go be drama if you act up on me

I told her "We do drugs, we sell drugs"  
You ain't ever fucked with a thug?  
I got a passion for fashion and guns  
My shooters wear Saint Laurent  
I'm just an Igbo boy, pop think I'm an evil boy  
Someone go tell officer I'm fully lidge now  
Fuck the feds, man, free my boy

I still tell that boy "Go shot if for me"  
If you got guns, then bust it on me  
She wanna have fun, then bust it on me  
I'm a Naija boy with the Russian on me

Tell that boy "Go shot it" for me  
My bro got corn and he bust it for me  
Kickin' doors like "Where's the money?"  
If I had guns, would you hold it for me?  
If I had drugs, would you hold it for me?  
I know a innocent one, she a baddie for me  
She gon' get the drop, get addy for me  
It go be drama if you act up on me

I said, wait (Huh, huh?), just stop (Ah)  
Tell my lil' niggas go and run up in your crop  
I'm the only fully lidge nigga on the block  
Gotta run up if my niggas gets locked, fuck  
So lucky they ain't get him for the rocks  
I ain't got beef, they just hate me a lot  
Bro pull up with the dots, make that pussy turn off  
Nah, ha-ha-ha, nah, I'm lidge, I'm lidge  
I love a business, I'm startin' it up  
Shot it like coke, they can't get enough  
And I'ma make more than like half of your block  
You gon' try and be lidge if you're smart on the block  
Huh

I still tell that boy "Go shot if for me"  
If you got guns, then bust it on me  
She wanna have fun, then bust it on me  
I'm a Naija boy with the Russian on me

Tell that boy "Go shot it" for me  
My bro got corn and he bust it for me  
Kickin' doors like "Where's the money?"  
If I had guns, would you hold it for me?  
If I had drugs, would you hold it for me?  
I know a innocent one, she a baddie for me  
She gon' get the drop, get addy for me
