

Hold Back Your Love

Strangeways

I remember the night, feels so clear I can still see your eyes,
the promise
they held And we both took a chance, but it wasn't enough I gav
e what I
gave, it's just what I felt But I want you to know I can't let
go And there's
still a time, so I want you to know

Please don't hold back your love, if that's what you really fee
l Hold back
your love, I've got to know if it's real hold back your love

So many words I had to say How could I make you realise Sometim
es words
come out wrong Don't you understand That it just don't matter w
hen there's
tears in your eyes But I want you to know I can't let go And th
ere's still a
time, so I want you to know

Please don't hold back your love, if that's what you really fee
l Hold back
your love, I've got to know if it's real Don't hold back your l
ove if you feel it
in your heart Hold back your love, hold back your love

Please don't hold back your love, if that's what you really fee
l Hold back
your love, I've got to know if it's real Don't hold back your l
ove, feel it in
your heart Hold back your love, hold back your love
