

# Waiting

Strata

Surrender to my limitations  
Fall back and hide away  
Waiting for you,  
Still breathing each breath for you...  
Each breath I take, I take for you.  
But sometimes I feel like I'm dying  
Cold and shaking, holding on...  
Waiting for you,  
Still breathing each breath for you...  
Each breath I take, I take for you.
