

# Demand

Stratovarius

Feel the fury  
And demonstrate the pain  
Show them your anger and despair  
Fear the future  
For fighting is in vain  
It comes for you, unbearable, unthinkable

This is the time  
This is the place  
We have the power  
Now is the time  
To all unite  
This is the hour

Now we demand  
We take a stand

Now we demand  
To be heard  
We take a stand  
We take command  
We take control  
Now we demand  
To be seen  
We do not bend  
We do not break  
We do not fall  
Once and for all  
Now we demand, we take a stand

Revolution  
It's happening today  
We'll get the future we deserve  
Resolution  
The turning of the tide  
It comes for you, unbearable, unthinkable

Now we demand  
We take a stand

Now we demand  
To be heard...  
We take a stand  
We take command  
We take control

Now we demand  
To be seen  
We do not bend  
We do not break  
We do not fall  
Once and for all

This is the time  
This is the place  
We have the power  
Now is the time

To all unite  
This is the hour

This is the time  
This is the place  
We have the power  
Now is the time  
To all unite  
This is the hour

Now we demand  
To be heard  
We take a stand  
We take command  
We take control

Now we demand  
To be seen  
We do not bend  
We do not break  
We do not fall  
Once and for all

Now we demand  
We take a stand
