## Paradise

## **Stratovarius**

Late at night I find myself again Wondering and watching TV I can't believe what is on the screen Something that I wouldn't dare to see

Many rare species will perish soon And we will be short on food Why do we have to be so selfish We've got to change our attitude

I know that I am not The only one that's worried Why don't we all wake up, and realize?

Like the birds in the sky We're flying so high Without making any kind of sacrifice We've got so little time to undo this crime Or we'll lose our paradise

It seems to me that there's no sense at all Nobody cares it's always the same Mother nature's crying out in pain we are the one's to blame.

I know that I am not The only one that's worried Why don't we all wake up, and realize?

Like the birds in the sky We're flying so high Without making any kind of sacrifice We've got so little time to undo this crime Or we'll lose our paradise.
