

Believing

Strawberry Guy

I guess I can't be there
Just know that I'm thinking and dreaming of you
I've tried to be myself
But I'm just feeling, missing you

We know this will end
And the earth will mend
To be where we belong

I wish I had some sand
To put in an hourglass, to watch time go by
Cause I feel I'm on my own
I've got to remember, how it will be

We know this will end
And the earth will mend
To be where we belong
