

What Would I Do?

Strawberry Guy

I can tell that the grass is greener
On the other side, with you
I wouldn't know, what to do without you

Stay by my side eternally

What would I do?
Without someone like you?
What would I do?
Without someone like you?
What would I do?

I can tell, that the water's clearer
On the other side, with you
I know you care, about the faults in my life
Just promise me this, stay with me

What would I do?
Without someone like you?
What would I do?
Without someone like you?
What would I do?

What would I do?
Without someone like you?
What would I do?
Without someone like you?
What would I do?

What would I do?
Without someone like you?
What would I do?
Without someone like you?
What would I do?
