

Dance

Strawberry Switchblade

Dance, come on dance
Just to dance, to the tune of your dreams
Dance, come on dance
Just to dance, to the tune of your dreams

You're so wrapped up in your thoughts
Of what should I wear tonight
That you just can't seem to realize
What is right in front of you

You, only you
You love you
Only you can set you free
You, only you
You're not here
And it's you that holds the key

You are so scared to open up
Come on, crawl out of your sorry shell
There is no one else to help you
Only you can help yourself

La, la la la
La la la
La la la la la la
La, la la la
La la la
La la la la la la

Dance, come on dance
Just to dance, to the tune of your dreams
Dance, come on dance
Just to dance, to the tune of your dreams

So why not let go of your dream
And throw away your silly disguise
Now that you are you, and you know
You don't have to live a

Lie, la la la
La la la
La la la la la la
La, la la la
La la la
La la la la la la la
