

# Since Yesterday

## Strawberry Switchblade

Just close your eyes and then remember  
The thoughts you've locked away  
When tomorrow comes you'll wish  
You had today

And as we sit here alone  
Looking for a reason to go on  
It's so clear that all we have now  
Are our thoughts of yesterday

If you're still there when it's all over  
I'm scared I'll have to say  
That a part of you has gone  
Since yesterday

And as we sit here alone  
Looking for a reason to go on  
It's so clear that all we have now  
Are our thoughts of yesterday

La, la la la, la la la, la la la la la la  
La, la la la, la la la, la la la la la la

Well, maybe this could be the ending  
With nothing left of you  
A hundred wishes couldn't say  
I don't want to

And as we sit here alone  
Looking for a reason to go on  
It's so clear that all we have now  
Are our thoughts of yesterday

La, la la la, la la la, la la la la la la  
(It's so clear that all we have now  
Are thoughts of yesterday)

La, la la la, la la la, la la la la la la  
(It's so clear that all we have now  
Are thoughts of yesterday)

La, la la la, la la la, la la la la la la  
(It's so clear that all we have now  
Are thoughts of yesterday)

La, la la la, la la la, la la la la la la  
(It's so clear that all we have now  
Are thoughts of yesterday)

La, la la la, la la la, la la la la la la  
(It's so clear that all we have now  
Are thoughts of yesterday...)
