

## Is It Today, Lord?

Strawbs

Half light appears  
Shading in the weary days  
Darkness draws near  
Spreading chills in endless ways  
Death holds no fear  
For those who see clear  
Is it today Lord  
That I'll reach you.

Old minds gain will  
Strengthened by their silent prayer  
New seekers still  
Searching for you everywhere  
Some find the way  
To reach you and say  
Is it today Lord  
That I'll see you  
Is it today Lord  
That I'll reach you.
