

Paris Nights

Strawbs

Smile at everyone you meet
Flower ladies in the street
Postcard sellers
Fortune tellers
Love is never far away

Paris works its magic charm
Smiling couples arm in arm
Wide eyes glow
Soon you know
L'amour est toujours pret

Les amants regardent les etoiles
Eclats vennat de chacques bars
Eclares la nuit
Douce Paris
L'amour est toujours pret

Take a boat along the Seine
Never mind the summer rain
Paris galleons
Rose medallions
Love is never far away

Sunday morning hear the bells
Paris bids its fond farewells
April crooners
Honeymooners
L'amour est toujours pret
Love is never far away.
