

## Cat Fight (Over A Dog Like Me)

Stray Cats

Two hot chicks, Joe's Bar and Grill  
Got into a tussle like bad girls will  
Out of the bar to the parking lot  
Fussing and a-cussing over what I got  
From the parking lot took to the woods  
You gotta know, honey, that I got the goods  
Champagne blonde and a hot brunette  
I'm about as fired up as you can get

(Cat fight) It's what I'm talking about  
(Cat fight) Yeah the claws came out  
(Cat fight) Glory be  
(Cat fight) Over a dog like me

Champagne blonde and a hot brunette  
Fightin' in the rain all soaking wet  
In stiletto heels, throwing down  
Those girls taking onto the ground  
Rumbling, a-tumbling, a crazy loud  
All that action drew a crowd  
Cops showed up, long story short  
They hauled us off to kangaroo court

(Cat fight) The fur was flying  
(Cat fight) Ooh I ain't lying  
(Cat fight) Ooh-wee  
(Cat fight) Over a dog like me

Miss Lady Judge, she banged her gavel  
She said, "Hey Slim, let's me and you travel"  
Screw named Jane said, "Not so fast  
Me and that boy could have a blast"  
District Attorney said "I object,  
I want me a piece of that, oh man, you bet"  
The court went crazy, fur was flying  
Them chicks was nuts, I ain't lying

(Cat fight) That's what I'm talking about  
(Cat fight) Yeah the claws came out  
(Cat fight) Ooh glory be  
(Cat fight) Over a dog like me  
(Cat fight) The fur was flying  
(Cat fight) Ooh I ain't lying  
(Cat fight) Ooh-wee  
(Cat fight) Over a dog like me
