## **Fishnet Stockings**

## **Stray Cats**

Well my sweet baby wears fishnet stockings When she starts a rockin' there ain't no stoppin'

Singing wop bop a doo dop fishnet stockings Shoo wop a doo dop when she's rockin' Bop bop a doo dop there ain't no stoppin' Rockin' with my baby in her fishnet stockings

Well she's got a pair in pink
She's got a pair in red
When she puts the black ones she makes me loose my head

Singing wop bop a doo dop fishnet stockings Shoo wop a doo dop when she's rockin' Bop bop a doo dop there ain't no stoppin' Rockin' with my baby in her fishnet stockings

One time

Well she's got a pair in pink She's got a pair in red When she puts the black ones she makes me loose my head

Singing wop bop a doo dop fishnet stockings Shoo wop a doo dop when she's rockin' Bop bop a doo dop there ain't no stoppin' Rockin' with my baby in her fishnet stockings

Rock it again now

Well my sweet baby wears fishnet stockings When she starts a rockin' there ain't no stoppin'

Singing wab bop a doo dop fishnet stockings Shoo wop a doo dop when she's rockin' Bop bop a doo dop there ain't no stoppin' Rockin' with my baby in her fishnet stockings
