

# Flying Saucer Rock 'n' Roll

Stray Cats

Well the news of the saucer been a-flyin' around  
...seen it on the ground  
First thing I seen when I saw it land  
Cats jumped out and they started the band.

Flyin' saucer rock 'n' roll  
Flyin' saucer rock 'n' roll  
I couldn't understand a thing they said  
But that crazy beat it just knocked me dead, rock.

Well the little green men they were real hip cats  
Rockin' and a-rollin' to the crazy flats  
They brought out the sax and they started to rock  
They brought out the drums and they started to roll.

Flyin' saucer rock 'n' roll  
Flyin' saucer rock 'n' roll  
I couldn't understand a thing they said  
But that crazy beat it just knocked me dead.

Well I come out o' hidin' and I started to rock  
Little green men taught me how to do the bop  
They were three feet high, they hit a few bars  
Woaaaaa...
