

Well they say Gina don't you run with him  
Because you know the trouble I've been in  
Oh that was yesterday, don't listen when they say  
Gina don't you run with him  
Well they say Gina I'm a bad mistake  
But that's the chance you know I have to take  
Well I'm beggin' on my knees, baby darling please  
Oh Gina don't you run with him

Well Gina you're a young girl  
But I think you're old enough to decide  
They think we're fooling, but I can see the love in your eyes  
Oh Gina don't you run with him

Well Gina you're a young girl  
But I think you're old enough to decide  
They think we're fooling, but I can see the love in your eyes  
No, no Don't listen when they say it baby

Gina don't you run with him  
Because you know the trouble I've been in  
Oh that was yesterday, don't listen when they say  
Gina don't you run with him  
Well they say Gina don't you run with him  
Gina don't you run with him  
Well they say Gina don't you run with him  
Gina don't you run with him  
Well they say Gina don't you run with him
