

That's All Right

Stray Cats

Well, that's all right, mama, that's all right for you
That's all right mama do anything you do
That's all right, well that's all right
That's all right now mama, anyway you do

Well mama she done told me, papa done told me too
"Son, that gal you're foolin' with, she ain't no good for you"
Well that's all right, that's all right
That's all right now mama, anyway you do

Well I'm leaving town, baby, I'm leaving town for sure
Then you won't be bothered with me hanging 'round your door
That's all right, well that's all right
That's all right now mama, anyway you do

I need your lovin', well that's all right
That's all right now mama, anyway you do

Well I'm leaving town, baby, I'm leaving town for sure
Then you won't be bothered with me hanging 'round your door
That's all right, well that's all right
That's all right now mama, anyway you do
