

# You Can't Hurry Love

Stray Cats

I need love love  
To ease my mind  
I need some fine fine  
Someone to call mine  
But my mama said  
You can't hurry love  
No you just have to wait  
Love don't come easy  
It's a game of give and take

Love love don't come easy  
Yet I keep on waiting anticipating  
For that soft voice  
Talk to me at night  
For those tender arms  
Wrapped around me tight

But my mama said  
You can't hurry love  
No you just have to wait  
Love don't come easy  
It's a game of give and take  
How long can I wait  
How much more can I take  
Before loneliness cause my heart  
Heart to break  
Now I can't stand  
To live my life alone  
I grow impatient for a lover  
To call my own  
Well I feel that I  
That I can't go on  
But those precious words  
Keep me hangin' on

Well my mama said  
You can't hurry love  
No you just have to wait  
Love don't come easy  
It's a game of give and take  
You can't hurry love  
No you just have to wait  
Love don't come easy  
It's a game of give and take
