

Back To School

Stray from the Path

So run
Right
Right back to school
Check it

Look back, I sift through all the cliques
Roaming' the halls all year, making me sick
While everyone's out trying to make the cut (What)
And when you think you know me right, I switch it up
Behind the walls, smokin' cigarettes and sippin' vodka
I hop a fence to catch a cab, ain't no one can stop us
Give me a break about some other mess
What were you? Act like it's everything you got

Push back the square
Now that you need her
But you don't
Well there you go
'Cause back in school
We are the leaders of it all

Stop that quit! All that quit!
Who ruined it? You did! Now grab a notebook and a pen
Start taking notes, I'm being everyone who's on the top
You think we're on the same page, but, no we're not!
I'll be the man, watch your backpack, pens and pencils
Just like Kool Keith, he now flippin it, why you just keep it simple?
You just can't go wrong rocking the clothes
Coppin' the stance
'Cause really it's everything that you got

Push back the square
Now that you need her
But you don't
Well there you go
'Cause back in school
We are the leaders of it all

So transpose
Or stop your lies
It's what you do
Transpose
Or stop your lies
So run
So why don't you run, so why don't you run
So why don't you run back to school
So why don't you run, so why don't you run

All you are - Now I'm on the next page
All you are - It's time to close the book up
All you are - Yeah I'm on the next page
All you are - Close the book up now

Push back the square
Now that you need her
But you don't
Well there you go

'Cause back in school
We are the leaders of it all

Transpose
Or stop your lies
It's what you do
Transpose
Or stop your lies
So run
So why don't you run, so why don't you run
So why don't you run back to school
So why don't you run, so why don't you run
