

## Badge & A Bullet

### Stray from the Path

Pull the pin on the fuckin' grenade!  
It's time to shed some light at this dark time  
Pull the pin on the fuckin' grenade!  
Is justice served?  
I feel like we're being played  
Pull the pin on the fuckin' grenade!  
I'm sick and tired of being scared!  
Pull the pin on the fuckin' grenade,  
And blow this joint wide open.

The right place at the wrong time!  
The wrong cops, fuckin' swine,  
Who's to say they do right in the state of mind?  
You're in far too deep in your state of mind.

It's no right to disrupt the peace (no right)  
We're still singing, this is our release,  
And no we're not leaving, we've come too far,  
You can try but I won't go quiet (nah),  
In the back of a cop car.

I shoulda been out,  
I'm deadly when I pull the pin out.  
Stay away from me!  
Punk motherfuckers don't step to me.  
They abuse their authority,  
Now I know my enemy.  
(Stay away from me)  
Stay away from me!  
Punk motherfuckers don't step to me,  
They abuse their authority,  
Now I know my enemy!

With a badge and a bullet,  
Did you figure out that you wanted to pull it?  
There's no reason to justify,  
They just wanna see the lead fly.

Yeah, the few that got proof got too much to lose,  
So they bury the truth (what a surprise)  
Shit between innocent and not realize,  
They just wanna see the lead fly.

I shoulda been out,  
I'm deadly when I pull the pin out.  
Stay away from me!  
Punk motherfuckers don't step to me.  
They abuse their authority,  
Now I know my enemy!  
(Stay away from me)  
Stay away from me!  
Punk motherfuckers don't step to me,  
They abuse their authority,  
Now I know my enemy!

(They. Abuse. Their authority)  
(They. Abuse. Their authority)

So you can try but I won't go quiet,  
in the back of a cop car.  
So you can try but I won't go quiet,  
in the back of a cop car.  
You are not, above the law.  
You are not, above the law.  
You are not, above the law.  
(You are not above the law)

Stay away from me!  
Punk motherfuckers don't step to me.  
They abuse their authority,  
Now I know my enemy!  
(Stay away from me)  
Stay away from me!  
Punk motherfuckers don't step to me,  
They abuse their authority,  
Now I know my enemy!  
Now I know my enemy!

BLEH.

I shoulda been out,  
I'm deadly when I pull the pin out,  
I shoulda been out,  
I'm deadly when I pull the pin out,  
YEEEEAH  
I shoulda been out,  
I'm deadly when I pull the pin out,  
I shoulda been out,  
I'm deadly when I pull the pin out,  
OH  
I shoulda been out,  
I'm deadly when I, a-when I...  
I shoulda been out,  
I'm deadly when I, a-when I...
