

Casual Conversations (Small Talk)

Stray from the Path

"Let's play this shit"

Let me tell you what I heard
Rumor spreads like flame
Consuming conversation

Defacing the innocent
Killing friendship

Foul words spoken under a breath speaking of truth
A trust based on lies and misinterpretations
For all to tell

Don't believe what you're told
Don't believe what...
That's just, that's just what I heard

Don't believe what you're told
That's just what I heard
That's just what I heard
