I close my eyes and I see with my 3rd eye
Show me what you want, 3rd eye
I just wish I could see me me
I close my eyes and I see with my 3rd eye I I

What is this? I don't know what's right
Feels like I'll know
But I don't know like a hidden camera
What I need is a 3rd eye
It's my survival in this chaos
Is that eye sleeping
Or pretending to be asleep?

Will I be able to awaken it?
Or am I too scared to awaken it?
Or am I on the other side
Closing my eye from being scared of the world's threats?
Am I not able to open
Because the light is too bright?
I know there is a part of me that I don't know
But I don't know what that is

I wanna find my keys that are hidden
So I can open my locked up eye
My 3rd eye is wrapped around the chaos in my head
I'll give it a short kiss
Am I not able to open or do I not want to open?
Like a chained and locked door
My eye is closed, tightly

I wanna know
I think I can know
Now the world that is folded in layers
But the truth inside
What am I? Who am I?
What color is
The background of my heart?

I close my eyes and I see with my 3rd eye
Show me what you want, 3rd eye
I just wish I could see me me
I close my eyes and I see with my 3rd eye I I

I don't want to be standing
And trembling in this nervous state
I want to check myself
I want that part of me
Don't close that eye, please don't close that eye
I'm trapped inside again
Don't shut the door, please don't shut the door
So I can get out, don't shut the door

I'm in front of the eye that can't open in this dark world
I can't see, I can only see the outer layers
That spread out before me

Just breathe in my heart
So I can open my eye some day
I know but I can't see
It's frustrating, please just once

Just breathe in my heart
So I can open my eye some day
I know but I can't see
It's frustrating, please just once
Open

Just breathe in my heart
So I can open my eye some day
I know but I can't see
It's frustrating, please just once
