How are you doing?  
Your spot next to me feels so empty  
I try pushing back the unforgettable days  
But I wonder how you're doing  
I'm sitting at  
The back of the bus, where we used to sit  
Humming as I remember  
The memories with you

I still remember the day I first met you  
I remember we were almost the same height  
We were the same age and we got so close  
I know I still wanted to go to the end with you

Memories of fighting against each other  
My friend, who comforted and helped me  
I'll find my dreams, buy my ticket  
Get to the station of debuts and cheer for you

How are you doing these days?  
It's fall soon, the leaves are falling  
When you left, it was the hot summer  
But your spot is empty like the winter

We're in different places with the same dream  
Some day, we'll meet again in the same place  
I keep thinking about our memories  
In this small vocal room where we fought and talked a lot

How are you doing?  
Your spot next to me feels so empty  
I try pushing back the unforgettable days  
But I wonder how you're doing  
I'm sitting at  
The back of the bus, where we used to sit

Humming as I remember  
The memories with you

Recently, I got to know a lot of people  
It's been a while since I adjusted to this new place  
I think I grew up a lot  
I used to be afraid to go to the academies alone  
So I begged mom for us to go together  
But now I can go to Seoul alone  
It's cool, I buy my own clothes now  
We used to bond over comic books  
But continuing to find that common interest as we grow up  
Is an unrealistic comic, yeah

How are you doing?  
Your spot next to me feels so empty  
I try pushing back the unforgettable days  
But I wonder how you're doing  
I'm sitting at  
The back of the bus, where we used to sit  
Humming as I remember  
The memories with you

Thank you my friend, I won't forget you  
I'll cherish all the moments with you  
Thank you my friend, I won't forget you  
Let's meet again in the same place  
Trying to stop time to relive our memories

How are you doing?  
Your spot next to me feels so empty  
I try pushing back the unforgettable days  
But I wonder how you're doing  
I'm sitting at  
The back of the bus, where we used to sit  
Deeply engraving our memories  
In my heart  
Thanks my friend
