Ah... Okay
Hello, I'm a young man who can fly anywhere
But that doesn't make me a runaway youth, everyone, attention

I don't touch those who are weaker than me
I just pick out the strong ones and beat them up
I can be a gentle lamb but turn into a beast in front of my goals

Spitting out my fighting spirit, 100%

My goal that will fill my stomach is on the other side of the world
I'm burning up any resignation, I can see the fight in me every day
I see myself rising, like a UFO in the sky
My future is so bright, even the sun shines on my path

Oh I'll keep fighting
Oh you can't stop me
1, 2, everyone come at me
K.O faster than anyone else
Look closely, at the speed of light, hey
Two fists above my head, hey
Smash it up, wait is that too harsh? BOXER

Jab, Stray Kids, jab
One, two, counter punch, knock out
Jab, jab, Stray Kids, jab, jab
One, two, counter punch, knock out

I'm catching everything that comes into my eyes
I'll hold tight to everything that comes into my hands
I see my prey
I'll fly like an eagle and eat them all up

I'm catching everything that comes into my eyes
I'll hold tight to everything that comes into my hands
I see my prey
I'll fly like an eagle and eat them all up

Get out of my way, go
Higher, gotta gotta gotta go
Claxon beep beep
Victory Song lalaladi lalala

I'm gonna draw my future like Picasso
What I want, I'll get
I'm flying above my goals (but I'm not a delinquent)

Across mountains, across rivers
Across rivers, across everything
Across mountains to the mountain range, across rivers to the sea
Across everything, I'm climbing over walls

Oh I'll keep fighting
Oh you can't stop me
1, 2, everyone come at me
K.O faster than anyone else
Look closely, at the speed of light, hey
Two fists above my head, hey
Goosebumps? BOXER

Jab, Stray Kids, jab
One, two, counter punch, knock out
Jab, jab, Stray Kids, jab, jab
One, two, counter punch, knock out

Turn it up, ready, spotlight shining on me
I'll go wherever I wanna go
I'll do whatever I wanna do

Raising my fists high, 1, 2
I'm praying for a fight in a brighter future
I'm gonna win anyway so I'll take a punch
Now the ring is ringing

Smash it up, wait... BOXER

Stray Kids, jab, jab
One, two, counter punch, knock out

I'm catching everything that comes into my eyes
I'll hold tight to everything that comes into my hands
I see my prey
I'll fly like an eagle and eat them all up
