I ran all the way here without rest so why
Is everything around me still so dark?
They say time will solve everything
But those words just give me fear

Time can't solve this
If I wait, I'll get caught, I need to do something
I have no other way
Is time here gold or a beast?
When I get caught from hide and seek, is it me or is it a dream?

Day and night, every day
Fear holds onto me

I'm kicking it away and running, even if I run out of breath
I'm running endlessly
Why is time running so quickly to me?

I'm kicking it away and running, even if I fall
I'm running without fail
I just need to keep running so you can't even see me

Woah woah woah yeah yeah
Tick tock tick tock gettin' closer
Woah woah woah yeah yeah
Tick tock, hurry and run

Watch out, watch out, open your eyes
Countdown, countdown, what do I do now?
Feels like I'm trapped in an hourglass

Watch out, watch out, open your eyes
Countdown, countdown, what do I do now?
If I stop, it's over

I'm kicking it away and running, even if I run out of breath
I'm running endlessly
Why is time running so quickly to me?

I'm kicking it away and running, even if I fall
I'm running without fail
I just need to keep running so you can't even see me

Ooh like a tunnel with no light
Yeah ooh, there's no end with this fear

Ooh like a tunnel with no light
(Yeah ooh) day and night, every day
(There's no end with this fear)
Fear holds onto me

I'm kicking it away and running, even if I run out of breath
