

Ghost

Stray Kids

I've been doing this my whole life
Stuck inside my head, "Got no time"
I just wanna reach that prime time, oh, woah-oh, oh
Don't wanna see another deadline
There's no day and night, yeah
I can feel my body getting light

Yeah, I just don't know what to say
'Cause to this day, I'm still astray
Yeah, I just don't think I can make it
Endless rain, I'm still in pain
I know I wanna feel the rays of sunlight
Fill my empty space
Yeah, I just don't know what to say
I lost my way, way, way, way

I feel like I'm a ghost, I'm out of my mind
I don't know why I'm lost in space and time
I feel like I'm a ghost, I'll say that
I'm fine, I'm fine, I'm done

Namdeureun naega tteotdae jigeum
Nan geujeo bung tteo inneunde
Yeotaekkeot gyeokkeun nallyuwaneun
Chawoni dareun beomyuda samgakjidae
Na jasineul wihangwa haehami
Gongjonke haneun geudeurui gidae
Na, neo geu nugudo manjok mothandamyeon
Ije eodi gidae, eh
I ain't got no energy
I'm feeling dead inside
Too much of this, too much of that
I'm overloaded this time

Yeah, I just don't know what to say
'Cause to this day, I'm still astray
Yeah, I just don't think I can make it
Endless rain, I'm still in pain
I know I wanna feel the rays of sunlight
Fill my empty space
Yeah, I just don't know what to say
I lost my way, way, way, way

I feel like I'm a ghost, I'm out of my mind
I don't know why I'm lost in space and time
I feel like I'm a ghost, I'll say that
I'm fine, I'm fine, I'm done

Rendezvous with the déjà vu
Repeated blues, yeah, the world's so cruel
Howling "boo" when the time is due
I don't know what to say
Just pray that I'm okay

I feel like I'm a ghost, I'm out of my mind
I don't know why I'm lost in space and time
I feel like I'm a ghost, I'll say that

I'm fine, I'm fine

Yeah, I just don't know what to say
