I can't sleep

I can't sleep

When the dark night puts everyone to sleep, when everyone's asleep  
I can't sleep because of my countless thoughts  
Hoping that I'll think of something  
I wait till the morning sun wakes everyone up  
When everyone turns the light off, when they're setting their alarm  
When I'm tired, my worries open its eyes  
Looking back at my day to see if it was good  
Wondering what I'm gonna do tomorrow, then the alarm goes off

It's complicated but don't worry about it  
Once you wake up, it'll all go away  
They chase after me even in my dreams  
But it'll all be forgotten  
I try to forget but it comes back again  
I don't wanna be caught up in this anymore  
I try rolling up the blankets, I try screaming  
But in the end, I get up again

I can't sleep

So tell me  
Tonight, I'm awake again  
It'll probably be like this tomorrow night too  
So tell me now, I'll find a way  
Tomorrow night, there is no other way  
I can't sleep

No way, all go away  
At school, I get so sleepy, what can I do?  
Go away, be quiet, I wanna sleep

I just want you to know  
I can't take it anymore  
I can't sleep when I should sleep  
So tell me now

It's complicated but don't worry about it  
Once you wake up, it'll all go away  
They chase after me even in my dreams  
But it'll all be forgotten  
I try to forget but it comes back again  
I don't wanna be caught up in this anymore  
I try rolling up the blankets, I try screaming  
But in the end, I get up again

I can't sleep  
So tell me  
Tonight, I'm awake again  
It'll probably be like this tomorrow night too  
So tell me now, I'll find a way  
Tomorrow night, there is no other way  
I can't sleep

When I open my eyes and get up  
I wish I felt more rested  
I wish I can have a night with good dreams  
Like the sun that goes to sleep at night  
I want to peacefully fall asleep  
For a tomorrow that will shine brighter

I can't sleep  
So tell me  
So just tell me  
Tonight, I'm awake again  
It'll probably be like this tomorrow night too  
So tell me now, I'll find a way  
Tomorrow night, there is no other way  
I can't sleep
