Walk the longest road
I didn't know that it would be the last
In the footprints left behind
I'll look back to see if your scent remains

Our story was beautiful
You left me with a memory
Please don't forget that it means more than this
Wander through a long day
The night begins again
There are many things that I can't say

I don't get sick in my dreams
I want to call you quietly
The moment I wish I couldn't forget
Will it go back the way we used to be?
I know it'll change with just one word
The words I couldn't tell you

Lock me in this dream, please don't let me go

I don't remember
A piece of your memory
When I miss you, I will take it out once in a while
The image of yours that I could only see
Will you think of me at least once?

Our story was beautiful
You left me with a memory
Please don't forget that it means more than this
Wander through a long day
The night begins again
There are many things that I can't say, yeah

I don't get sick in my dreams
I want to call you quietly
The moment I wish I couldn't forget
Will it go back the way we used to be?
I know it'll change with just one word
The words I couldn't tell you
Lock me in this dream, please don't let me go

I don't get sick in my dreams
I want to call you quietly
The moment I wish I couldn't forget
Will it go back to the way we used to be?

I know it will change with just one word
I'll talk quietly
