One, two, three

The multiverse ain't ready for our universe
(Jump, force)
First, second, third, fourth wall
We're breakin' them all, unbeatable score
Our composition brings the competition
But we've already won in this megaverse
Get your feet moving, get your tongue working, let it pop
Pop, pop, pop, this place is all ours
Popstar, festa, we will never get down on our knees
Slap on the knee, slap on the head
Those who yelled at us, all just shut up
Replay the scene every 0.1 seconds
Jaws drop in disbelief

Speechless, wordless
I don't need your kindness
Only after spitting out my words
Do I feel good and satisfied
Here we come (Du-du)
Open your ears
Better prepare a big bowl, or else
The tears of admiration will spill over

Welcome to the Stray Kids Hot Megaverse

Welcome to the Stray Kids Hot Megaverse

Got the mic, here comes a big one, hold up high Atlas
Swallow up everything in sight, make ours every song form, megaverse
It's an obvious ending, eventually see the end of it, Megatron
Influence amplified, whisper into the megaphone (Woah)
Gather up, spread around hooligans
Let it storm out of the way
Point a gun at the mouth talking nonsense, click
We make the rules, nobody can hold me, yeah
Can't resist hearing, listen and remember
Move over, I'm in charge now, it's a new chapter
Next one, my word, power keeps growing
Hit the high peek, then go random, ayy
See me rise, I came from down below
Struggled to get to this point, ayy
Now I'm way up here
Like I said, my place is at the top

Speechless, wordless
Mouth hung open, don't know where to look
You know we're getting fearless, reckless
Our music echoes through the galaxy
Hey, we act the way we think, the way we feel
Listen and do the same, we make it real
Every time we move
The universe will follow
