

Muddy Water (Changbin, Hyunjin, HAN, Felix)

Stray Kids

Uh, rain falling on my face
And washing off that sweat off
Making me cleaner than the dirt on ma high top
I suffer from the words you throw at me
But makes me tougher
Energetic youngster like me loves playing in muddy water

Looking back at what you said behind my back
Doesn't matter 'cause I'm a winner
Strong believer
24/7 with the members scoring goals like a team player
I execute the shadows all around me call me demon slayer

Sit down and listen for once
