I believed in myself and threw myself in
But why am I being swept away?
I believed in myself and threw myself in
But why does it only hurt?

Everyone, get out of the way (actually, I)
I'm right (I'm scared)
Everyone, just watch (can I do it?)
I'm afraid I won't be able to keep my word

Why am I changing, more and more?
My inside and outside are changing
But I'm still getting colored

My head hurts
My head hurts
My head hurts

I believed in myself and threw myself in
But why am I being swept away?
I believed in myself and threw myself in
But why does it only hurt?

Wait, this is strange, it's getting blurry
Why isn't this ending? I keep hearing that anxious sound
Even from here
My fighting spirit overflows, I thought I could beat everyone
But not even my rashness can help me endure
Maybe it hurts more because I thought it'd be easy

I used to shout out
I wouldn't change
But why am I changing endlessly
Depending on my surroundings?

Why do my reactions change
Depending on whoever just passes by?
I used to bop my head if I liked the rhythm
But now I'm doing it cause I'm following someone else
What if my personal tastes change too?

My head hurts
My head hurts
My head hurts

I'm swallowing a pill that gives me baseless confidence
(Gulp gulp)
Did I take too much? Now I have more worries than courage
(Tremble tremble)
Everything's changing, from 1 to 10, everything
(More and more)
Without my intention, the side effects keep coming
No no no no

Wait, this is strange, it's getting blurry
Why isn't this ending? I keep hearing that anxious sound
Even from here

My fighting spirit overflows, I thought I could beat everyone
But not even my rashness can help me endure
Maybe it hurts more because I thought it'd be easy

My head hurts
My head hurts
My head hurts
My head hurts
