Sorry that I like you, I'm sorry

I'm sorry for liking you
Sorry that I like you, I'm sorry
If liking you is wrong

Sorry that I like you so much, I'm sorry
I tried to hide my feelings, but I guess it was too obvious
I'm sorry, I'm sorry
That I like you

I can't, I can't hide my feelings for you anymore
I bravely take a step closer to you
But this step was never easy
I made up my mind long ago, but I still needed more time

But maybe I took too long
Our timings were off, I feel like I'm being punished
What I did to get closer to you was rather
Building a wall between us, I'm speechless

I blame myself, I blame you
I don't know whom to blame, my resent grows
Trying to break down the wall between us just breaks my heart
While making my mind up, I missed the most important one, you

When I gave you a movie ticket, you were just so happy
But now I'm unintentionally pressuring you
I just wanted to be with you, the two of us, together
The tickets were just an excuse

To be just friends
You're too beautiful
To just stay as friends

I know I'll regret, so I end this
I know I'll regret, so I decide to express my feelings
I want to be more than just friends
I like you too much

Sorry that I like you, I'm sorry
I'm sorry for liking you
Sorry that I like you, I'm sorry
If liking you is wrong

Sorry that I like you so much, I'm sorry
I tried to hide my feelings, but I guess it was too obvious
I'm sorry, I'm sorry
That I like you

I try to hide this feeling that I can't control
I get carried away by this feeling that I can't control
With you being so irresistibly charming
I should have looked away
Yet I'm mesmerized again

The time waiting for you
Feels like waiting for a traffic signal at a four way street
The fact that we've grown even further apart than we were
Makes me weary
Because of my honesty, there is no relief
All that remains is regret

To be just friends
You're too beautiful

To just stay as friends

I know I'll regret, so I end this
I know I'll regret, so I decide to express my feelings
I want to be more than just friends
I like you too much

Sorry that I like you, I'm sorry
I'm sorry for liking you
Sorry that I like you, I'm sorry
If liking you is wrong

Sorry that I like you so much, I'm sorry
I tried to hide my feelings, but I guess it was too obvious
I'm sorry, I'm sorry
That I like you

Sorry that I like you, I'm sorry
I'm sorry for liking you
Sorry that I like you, I'm sorry

Sorry that I like you so much, I'm sorry
