

There

Stray Kids

Oh I think of you
I only fall for you
Feels like a never ending waterfall

Oh I'm still a fool
I look up at the stars all day and night
Cause I know you're waiting
I'll be right there

Hitori de miageru hoshi no yozora
Hoshi o mitsukete wa jiman shi atte ita
Anogoro to wa mō chigatte kyō no sora wa
Ima no boku o monogataru yō

Tsumetaku sabishī kaze ga fuite
Umi wa iro o ushinatte iku
Demo aoku hikaru omoideha
Don'na nami ni mo nagasa renai

I'm thinking about you girl
Kimigainai kono basho de
Kimi toita kono basho de

I feel it now oh girl

Kimi mo miete iru ka na
Sekaiichi nagai kakehashi ni narunara aerunoni na

Every minute, every hour
