

You fill up my mind 24/7
I stay up all night, I can't even rest
You seem to be fine, the way that you smile, it's giving me a heartache
'Cause I should be the one protecting it (Yeah, you, you)
All I need is you, you, you and I in a verse to tune the skies
When it's dark, I'll push the sun to rise and pull the moon aside
I'ma do it, do or die, dip my pen in pain to paint you better days
My heart was in a cage, you let it go astray

My heart was in a cage, you let it go astray

Tears aim at my memories
The moment that passed blooms
It's stopped now from then
Going back to you

(You, ooh-ooh, ooh-ooh, ooh, ooh-ooh, ooh-ooh)
No one else but
(You, ooh-ooh, ooh-ooh, ooh, ooh-ooh, ooh-ooh)
No one else but
Even after wandering for a long time trying to forget, eventually
Going back to
(You, ooh-ooh, ooh-ooh, ooh, ooh-ooh, ooh-ooh)
All I want is you

In every scene of the flashing lantern, I'm with you
Now, I miss you
I only have you, but I've lost everything, what should I do? I can't express
it, no matter how I say it
This is a forest without trees, a dream that stays in the past
This is not living, barely holding on
My life, my love is you
I'm still into you baby (All I want is)

Tears aim at my memories
The moment that passed blooms
From that time to now, it stops
Going back to you

It's a game that you can't escape
Even if you close your eyes, it's you
Boring separation anxiety and interpersonal avoidance
No, to me, healing
I forget you every day, it ain't easy
Baby, I need you
You to stay with me, stay with me
Going back to you

(You, ooh-ooh, ooh-ooh, ooh, ooh-ooh, ooh-ooh)
No one else but
(You, ooh-ooh, ooh-ooh, ooh, ooh-ooh, ooh-ooh)
No one else but
Even though I wandered around trying to forget for a while, I ended up
Going back to
(You, ooh-ooh, ooh-ooh, ooh, ooh-ooh, ooh-ooh)
All I want is you

You know that I'd die, that I'd die for you
You know that I'd die, that I'd die for you
