I can't find any answers
Tonight too, thinking through the night
Sleepless night, insomnia

Thoughts, thoughts piling up
Becoming a wall
I get scared looking at the wall slowly getting higher
This is the world's answer but it's not the answer that I want

Pouring countlessly
Voice, voice
I don't like being tormented
Noise, noise
How can I know where to go
Where is the answer, I'm finding for it
