

He Touched Me

Barbra Streisand

He touched me, he put his hand near mine
And then he touched me
I felt a sudden tingle when he touched me
A sparkle, a glow

He knew it...It wasn't accidental, no, he knew it
He smiled and seem to tell me so all through it
He knew it, I know...
He's real, and the world is alive and shining
I feel such a wonderful drive t'wards valentining
He touched me; I simply have to face the fact
He touched me...
Control myself and try to act
As if I remember my name
But he touched me...He touched me...
And suddenly nothing is the same!
'Cause he touched me...He touched me...
And suddenly...nothing, nothing, nothing is the same
