

## It's Only A Paper Moon / I Like Her

Barbra Streisand

Hey. It's only a paper moon sailing over a cardboard sea  
But it wouldn't be make believe if you believed in me

Yes, it's only a candy sky hanging over a muslin tree  
But it wouldn't be make believe if you believed in me

Without your love it's a honky-tonk parade  
Without your love it's a melody played at a penny arcade  
It's a Barnum & Bailey world  
Just as phoney as it can be  
But it wouldn't be make believe if you believed in me

I like her  
I think she's funny  
And we have mutual interest deep down inside: money

Yes, I like her  
Although it's true she's the type you better get busy and do un  
to first for you find she's done unto you  
I'm certain there's a Fanny you seldom get to see  
Whoever that is maybe she'll like me  
But it wouldn't be make believe if you believed in me

I like her
